3. Stall Allocation

3.1 Stall allocation will be on first come first served basis. The organizer has the sole and absolute discretion in allotting and specifying the location and position of the stand and reserves the right to re-allot and re-specify another stand different to the one originally allotted to the exhibitor at any time prior to the commencement of the exhibition period. The exhibitor does not have a right to object to such allocation and specification.

3.2 The exhibitor cannot use a name on the stand that is different from the one specified on the application form without the prior written approval of the organizer.

3.3. The right to use the stand allocated is personal to the exhibitor and cannot be transferred, assigned, sub-contracted or otherwise shared with any third party.

4. Construction of the Stand and related work

4.1 The stand will be provided by the Organizer’s official contractors and is of standard designs. No variation of the facia board, lettering, fittings, structure or any integral part of the stand by the exhibitor will be permitted without the prior written approval of the organizer. The exhibitor shall be liable to the organizer for any damage caused by the exhibitor, contractors, agents or associates to any part of the stand.

4.2 The transportation assembly, dismantling and removal of the custom-built stand shall be sole responsibility of the exhibitor. All such work must be carried out according to the arrangements

and within the time limits specified in the regulations or as otherwise specified by the organizer.

4.3 Work of any kind carried out by the exhibitor at the exhibition venue must conform to all applicable statutes, rules and regulations applicable to the exhibition venue and also those specified by the organizer. The organizer reserves the right to stop any work which contravenes any of such statutes, rules and regulations and the exhibitor shall have no claim against the organizer or its agents for any other losses or damages.

4.4 Work of any kind carried out by the exhibitor or its associates at the exhibition venue including the decoration of the stand must be fully completed within the time limits specified by the organizer and in any case by 10.00 pm on the day preceding the commencement of the exhibition period. All repairs or alterations to the stand or displays may only be carried out by the exhibitor during the time that the exhibition is closed from the public and with the prior approval of the organizer or its agent.

4.5 The exhibitor must remove from the exhibition venue, all products, goods, materials items or things of the exhibitor or its associates within one day after the conclusion of the exhibition or within such other time as specified by the organizer. Any such products, goods, materials items or things which are not removed from the exhibition venue by the specified time will be deemed abandoned and will be removed and disposed of by the organizer at the exhibitors expense. The organizer will not incur any liability for any loss, damage or expense whatsoever suffered by the exhibitor and or its associates as a consequence thereof.

5. Electricity

5.1 All electrical works and fittings must be done at the Exhibitor’s own expense. Such electrical work and fittings shall be performed by a contractor appointed by the Organizer.

5.2 All electrical works, fittings and wiring must be conducted and installed in compliance with these exhibition rules and regulations of the exhibition venue and any other laws and regulations which are in effect in connection with the exhibition.

5.3 Only electricity can be used as a source of light or power in the Exhibition venue.

6. Security at the Exhibition Venue

6.1 The exhibition venue is given security and exhibitors should follow the rules and regulations given by them.

6.2 Any damage to exhibition premises will be charge from the exhibitor.
